OverviewEconomic relationsDiplomatic historyPolitical relationsPublic opinion in UgandaChina and Uganda have a robust trade relationship. China's largest exports to Uganda are machinery and electrical equipment. Uganda's major exports to China include many raw goods such as hides, oils, and seeds. Trade between the two countries also significantly increased under Yoweri Museveni's presidency. Even within the last 10 years, the amount of trade between China and Uganda has more than quadrupled, from around \$230 million in 2008 to over \$1 billion in 2018. Recently in 2024, as stat
